

Starting on **January 1, 2026**, MiRegistry implemented changes to the CPR/First Aid policy as well as the Reviewed Training: Training Certificates policy. Reviewed training is training that is submitted to MiRegistry via a certificate and added to an individual's profile through membership submission. These policy updates were developed in partnership with Child Care Licensing to align with the new Child Care Center Licensing Rules.

Basic Information About the Changes

CPR/First Aid Policy Updates

First Aid course MUST cover:

- Pediatric First Aid

CPR course MUST cover:

- Adult CPR
- Pediatric (Infant/Child) CPR

Beginning on **May 7, 2027**, center-based program staff must have valid CPR/First Aid cards VERIFIED in MiRegistry that cover all three components listed above. Beginning on **April 27, 2028**, home-based providers must have valid CPR/First Aid Cards VERIFIED in MiRegistry that cover all three components listed above.

For information about how the changes affect center-based vs home-based providers, refer to [this chart](#).

Reviewed Training Policy Updates

MiRegistry will no longer accept training hours submitted via certificate (reviewed training).

For training dated **May 7, 2027** and after for center-based providers and **April 27, 2028** for home-based providers, Child Care Licensing will ONLY accept MiRegistry approved training hours for Child Care Center requirements. Child Care Center Providers will still be able to present their training certificates dated prior to **May 7, 2027** to their licensing consultant for review. Home-based providers will still be able to present their training certificates dated prior to **April 27, 2028** to their licensing consultant for review.

For information about how the changes affect center-based vs home-based providers, refer to [this chart](#).

How Can My Staff Receive MiRegistry Credit for Training Taken Outside of MiRegistry?

Your organization can become a MiRegistry Approved Training Sponsor Organization (TSO)! As a TSO, you can submit in-house training or training your staff have completed outside of MiRegistry for approval. Please see our [TSO Toolkit](#) for more information.

For more information and FAQ regarding these policies changes, please refer to the rest of this document. You can use the buttons below to navigate to information regarding each specific policy.

Updated CPR/First Aid Requirements, Policy, & FAQ

Please review the updated requirements and policy to ensure the next CPR/First Aid Course you complete is MiRegistry eligible and meets Child Care Center Licensing requirements.

Beginning May 7, 2027, at least 50% of center-based program staff must have valid CPR/First Aid cards VERIFIED in MiRegistry. Beginning April 27, 2028, home-based providers must have valid CPR/First Aid Cards VERIFIED in MiRegistry that cover all three components listed above.

Updated MiRegistry Policy

Beginning on **January 1, 2026**, all CPR/First Aid cards must meet the following requirements to be VERIFIED in MiRegistry:

- 1 Specify that Adult CPR, Pediatric* CPR, or Pediatric* First Aid were covered.
- 2 Include an in-person skills component.
- 3 Be issued by a [MiLEAP approved organization](#).
- 4 Be valid (non-expired).

**Pediatric means Infant and Child*

What Changes Will Providers See in MiRegistry?

- 1 All previously verified CPR/First Aid entries will show as Archived CPR and Archived First Aid.

Valid (non-expired) Archived CPR and Archived First Aid DO MEET the Child Care Licensing requirements for CPR and First Aid. These records will remain on your profile and licensing consultants will still have access to these records.

- 2 New drop down options will be added to the Education section of each profile and will show on Individual and Organization reports.

- CPR (Adult ONLY)
- CPR (Pediatric ONLY)
- First Aid (Pediatric ONLY)
- CPR (Adult/Pediatric) and First Aid (Pediatric)
- Wilderness First Aid

What Changes Will Providers See in MiRegistry? Cont.

3 You will receive MiRegistry Approved Training hours for VERIFIED CPR/First Aid cards with the following breakdown*:

- Adult CPR = 2 hours
- Pediatric CPR = 2 hours
- Pediatric First Aid = 2 hours
- Wilderness First Aid = 16 hours

** This hour breakdown will be used unless the card specifies the total hours. In this case, hours will be defaulted to the card total. If the MiRegistry approved TSO/Trainer has already verified these training hours, the hours will default to the already approved hours.*

What Changes Will Administrators See in MiRegistry?

New CPR and First Aid columns will be added to the Staff Health and Safety Report on the Organization Profile. To meet new requirements, at least 50% of center-based program staff and all home-based staff must have valid column dates for one of the following:

- **CPR (Adult/Pediatric) and First Aid (Pediatric)**
- **First Aid (Pediatric ONLY) and CPR (Pediatric ONLY) and CPR (Adult ONLY)**
- **Archived CPR and Archived First Aid**
- **Archived First Aid and CPR (Pediatric ONLY) and CPR (Adult ONLY)**
- **Archived CPR and First Aid (Pediatric ONLY)**

CPR (Adult/Pediatric) and First Aid (Pediatric) Expiration Date	CPR (Adult ONLY) Expiration Date	CPR (Pediatric ONLY) Expiration Date	First Aid (Pediatric ONLY) Expiration Date	Archived CPR Expiration Date	Archived First Aid Expiration Date	Wilderness First Aid
	5/10/2027	05/10/2027	08/22/2026	05/02/2026	05/02/2026	
12/15/2027						12/15/2026

How to Ensure Compliance with the New Rules?

Before CPR/First Aid course registration, ensure the course meets the following criteria:

- 1 The course covers Adult CPR, Pediatric CPR, and First Aid
- 2 There is an official MiRegistry Approved TSO/Trainer
- 3 It is offered by a [MiLEAP approved organization](#)
- 4 Issues an official MiRegistry Approved TSO/Trainer

After CPR/First Aid course completion, please follow the following steps:

- 1 Log into your MiRegistry account, click **Apply for membership**, click **Become a member/Renew your membership**, review each section and submit the application.
- 2 Email a PDF of your CPR/First Aid to support@miregistry.org. Processing takes 4-6 weeks from the date we receive documentation.

Updated Reviewed Training Policy & FAQ

Child Care Licensing Requirements

Beginning on **May 7, 2027**, all training to meet Child Care Center Licensing Requirements must be approved in MiRegistry. Beginning on **April 27, 2028**, all training to meet Child Care Home Licensing Requirements must be approved in MiRegistry.

MiRegistry-approved training means training that is submitted to MiRegistry by a MiRegistry approved trainer or MiRegistry training sponsor organization that meets the qualification for approval.

Updated Reviewed Training Policy

Reviewed training is any training sent to MiRegistry via certificate that is taken through a non-approved training organization or trainer. MiRegistry will no longer accept reviewed training hours for certificates dated January 1, 2026 and after. Reviewed training hours are NOT MiRegistry approved.

Center-Based Providers will still be able to present their training certificates dated prior to May 7, 2027 to their licensing consultant for review.

***For training dated **May 7, 2027** and after, Child Care Licensing will ONLY accept MiRegistry approved training hours for Child Care Center requirements.*

Home-based providers will still be able to present their training certificates dated prior to April 27, 2028 to their licensing consultant for review.

***for training dated **April 27, 2028** and after, Child Care Licensing will ONLY accept MiRegistry approved training hours for Child Care Center Home Requirements.*

Please Note: MiRegistry is making this change BEFORE the change takes effect with Child Care Licensing to allow providers, trainers, and training organizations ample time to prepare.

How Can My Staff Receive MiRegistry Credit for Training Taken Outside of MiRegistry?

Your Organization can become a MiRegistry Approved Training Sponsor Organization!

By becoming a Training Sponsor Organization (TSO), your organization can create and submit training to MiRegistry for approval and manage attendance records in MiRegistry. By using MiRegistry, your attendees can find completion of your training verified in their MiRegistry profiles within minutes!

To enter training in MiRegistry as a TSO, take the following steps:

- 1 At least one individual from your organization must apply to become a [MiRegistry Approved Trainer](#).
- 2 Once the trainer application has been approved, you can apply to have your have your [licensed \(center or home-based\) organization designated as a TSO](#).
- 3 Once your organization has been designated as a TSO, you can begin [entering training](#) and managing attendance.

As a TSO, you can submit in-house training or training your staff have completed outside of MiRegistry for approval. In-house training includes orientation, staff meetings, non-approved trainers conducting training for your staff, etc.

How Can I Find MiRegistry Approved Training for Annual Professional Development (PD) Hours?

Any training found on the MiRegistry Statewide Training Calendar is MiRegistry approved and will count toward annual PD hours.

To locate the Statewide Training Calendar:

- 1 Go to miregistry.org.
- 2 Click **Search Training**.
- 3 Use the Filter Training section to narrow down your search results.
